### ABOUT ME

As a Dynamics Business Central Functional Consultant with a strong leadership background as an army team leader, I bring a disciplined and structured approach to problem-solving and a passion for leveraging technology to drive business growth. My strategic planning, team coordination, and project management skills acquired from the Army complement my technical proficiency. This enables me to guide organizations through system upgrades to deliver exceptional results.

### EXPERIENCE

#### Functional Consultant | ERP

##### Power Learn Academy

- Successfully implement Microsoft Business Central to improve inventory accuracy and reducing shipping errors
- Train and support a team of users on Microsoft Business Central's warehouse management features to increase efficiency and productivity
